

Amsterdam. For a time, experiencing the world-class history, architecture, and art of this city was affordable. Today, it is an expensive place for visitors. Expensive, that is, if you don't know how, where, and when to get things for free. Turns out that Amsterdam is literally overflowing with free activities, destinations, events, and shows. And that's what this book is all about: having a good time without spending a dime. With this book, you have access to the best of what's free, compiled into one reference. In this book, free can mean totally free or free with the purchase of something else. If an attraction is free only during certain times, I've listed those times and the costs for non-free times. You could be in the know, doing 100% FREE, yet culturally rewarding, activities such as: Leidseplein, an outdoor hotspot for late night revelry A Panorama Terrace with killer views of the entire city Free entrance to the principal Protestant cathedral in Amsterdam A thriving Buddhist temple in the midst of a Christian city A Dutch jazz club that has hosted jazz greats from Chet Baker to Charles Mingus Free outdoor summer concerts and plays A cannabis museum, with an active garden Friday night skate Giant outdoor chess Sunbathing spots & urban beaches Free story telling, tours, galleries, houses, bike rentals, festivals, working farms, family activities, and much, much more
