

Dare to Hope? Maria leads a lonely existence of silent misery. Horribly disfigured, she earns a meager living as a sideshow freak. Her very existence is one of mockery, contempt, and ridicule. She has no hope, no dreams. No future. But when a dashing swordsman stumbles onto the circus grounds, wounded and feverish, Maria is able to imagine a life beyond the confines of her dreary world. Could a swashbuckling hero ever fall for a freak like her?
