

Twenty years ago, Claire Maloney was the willful, pampered, tomboyish daughter of the town's most respected family, but that didn't stop her from befriending Roan Sullivan, a fierce, motherless boy who lived in a rusted-out trailer amid junked cars. No one in Dunderry, Georgia--least of all Claire's family--could understand the bond between these two mavericks. But Roan and Claire belonged together...until the dark afternoon when violence and terror overtook them, and Roan disappeared from Claire's life. Now, two decades later, Claire is adrift, and the Maloneys are still hoping the past can be buried under the rich Southern soil. But Roan Sullivan is about to walk back into their lives....By turns tender and sexy and heartbreaking and exuberant, *A Place to Call Home* is an enthralling journey between two hearts--and a deliciously original novel from one of the most imaginative and appealing new voices in Southern fiction.

Freethought (A September Story), Evidence and Justification (Objectivist Studies Book 2), Goodbye, Friend: Healing Wisdom for Anyone Who Has Ever Lost a Pet, Philip Nolan's Friends: A Story Of The Change Of The Western Empire (1904), Student Parents: The Essential Guide (Need2Know Books Book 76),
