

Bhagavad-gita is the essential study for entering into spiritual life, or Krishna consciousness, and Srila Prabhupada's Bhagavad-gita As It Is is the essential reading for truly understanding Bhagavad-gita. Srila Prabhupada lectured on the Bhagavad-gita hundreds of times and in this compilation, I have selected the portions of those lectures which specifically explain the verse, or the words of the verses, in greater detail. In addition, as anyone knows who has heard Srila Prabhupada's lectures, there are many wonderful gems found in them and I have mined those gems and placed them in this compilation. I am confident that my readers will find new insights into Bhagavad-gita and life in general by reading this compilation.
