

A New York Times Bestselling Author Undercover investigator Jeff Hinkley is assigned by the British Horseracing Authority to look into the activities of a suspicious trainer—but the last thing he expects is to witness a gruesome murder. Could it have something to do with the reason the trainer was banned in the first place? administering illegal drugs to his horses? When many more horses test positive for prohibited stimulants—and someone starts making demands—it's critical that Jeff find the perpetrator.
