

Ernie and Martin are the best of friends and Ernie shares all his toys with Martin. But Martin has trouble sharing his own toys and hurts Ernie's feeling in the process. Martin must decide if his friendship with Ernie is as important as his toys. Martin Learns to Share is the third book in the Ernie the Elephant series. This fun story will help teach your little ones the importance of sharing and also how that relates to being a good friend. In addition, there are underlying tones of respect, friendship rules and the importance of caring for the feelings of others. Beautifully illustrated pages will help your little one engage with the characters and have them asking to read it again and again.
