

Maeve Branch is neck-deep in embarrassment. Her husband disappeared with millions in embezzled funds and she discovered he'd been cheating on her for years! Now Maeve is broke and brokenhearted—shutting out everything except her family, her twin sons' NASCAR careers and her beloved animal shelter. Oil tycoon Chuck Lawrence can hardly believe that the lovely woman volunteering at the shelter is the socialite the tabloids can't stop talking about. His code of honor demands that he help her, but while he advises Maeve on her financial affairs and she introduces him to the world of NASCAR, he begins to wonder if he can teach her to trust a man again—and let him into her heart.
