

Dazzling color, intricate patterning, subtle variations in texture. Mosaic is a classic art form that can transform an old tired item from ordinary to amazing. Add personal touches to your home and garden using these practical and beautiful projects ideas: Kitchen stools, beautifully edged trays, a colorful fish for the bathroom wall, a floral mirror, and candle holders. What garden would be complete without a whimsical color work lizard or bright colored plant pots, striking house numbers, and enhance the look of an old table with a decorative mosaic top? A section on getting started covers the basics on tools, techniques and materials. Each project comes with a list of needed materials and tools, and instructions.
