

With this follow up to the popular I Can Draw Animals, you'll be amazed at how quickly someone with limited drawing skills can create fun drawings of cows, monkeys, rabbits, tigers, and more. With a few circles and other common shapes, the easy-to-follow line illustrations make it easy for anyone to draw with confidence. The simple, step-by-step diagrams show children and other beginners how simple it is to create fun and recognizable animals. And, in the process, novice artists will learn the basics of developing shapes and proportions. Because this process is so easy to follow and because the results are so immediate, many parents like draw along with their children. The child will have a great time drawing and the parent will learn some new things, too. To sum up, this book is good for: 1. hours of fun 2. building confidence 3. sharpening fine motor skills 4. learning to draw 5. sharing at family time
