

Tamara Price thinks she has everything under control. She thinks she can save the man she loves from death. Raymond Connor thinks he knows who wants him dead, and he thinks the only way to win is to invite his opponent to the table, make a deal and make peace. By the time Raymond and Tamara realize that everything is not what it seems, Tamara's mother is in the line of fire and the price for her life is Raymond's. No one is left out in this game of betrayer and betrayed. No one can be trusted. And no one knows if Raymond and Tamara's love will be strong enough to make the sacrifice that must be made.
