

Newport Boys: Book One Days away from high school graduation, with hardly a penny to his name, Evan Lowry needs to earn money for college. When he comes across an ad for modeling, he thinks his luck has changedâ€”until he learns heâ€™s interviewing for an adult film and will be expected to have sex. On camera. With other men. For gay porn star Brandon Court, the shine has worn off of regular shoots. He and his producer, Les, decide to try something new: a reality-show porno set at a beach house. When he meets wide-eyed and naive Evan for the first time, Brandon isnâ€™t sure if he wants the kid to get lost or get naked. Naked wins. On set, Brandon takes Evan under his wing, and over the next month, they are thrown together in every intimate way conceivableâ€”except emotionally. Both Brandon and Evan are terrified of trying for anything deeper, and insecurities and doubts wear on their hopes, but the chemistry between them wonâ€™t let them slow things down.
