

Enter a world of dark, irresistible passions, where a powerful vampire finds the one woman who can satisfy his every hunger.... In Las Vegas, Jason Cage is known as The Beast Master. But his onstage feats of magic are nothing compared to the abilities he keeps hidden from human eyes. Jason is Prime of his vampire family, and once used his telepathic skills to tame wild werewolves. Its a talent that leads him to beautiful, sensual Sofia Hunyara, who instantly triggers all of Jasons primal urges. Sofia is destined to be his bondmate, but keeping her alive long enough to convince her of that fact will not be easy. Sofia has no reason to trust Jason, or to believe his story about her familys secret history as Wolf Tamers. The only thing shes sure of is an overwhelming attraction that quickly develops into a scorching affair. If Jasons claims are true, can Sofia embrace her legacy -- when it means walking away from a soul-searing desire thats deeper than any shes ever known?
