

Romancing the Real You (London Loves: Romantic Comedy Mystery, Book 2) Do You Love Romance? \*This book contains explicit sex and a hot male stripper! Eva is a sexy psychic who wants to be adored. She's shackled up with C-list celebrity, Victor Valentine, hoping to use his status to boost both their careers to superstardom. Her delightful assistant and former stripper, Charlie, knows she's happiest when she's being the real Eva, and the friction sizzles between them in each steamy love scene! But Eva's plans involve deceiving her way to the top, which Charlie knows won't make her happy. To make matters worse, sworn enemy, Max Richards, is a podcaster determined to expose Victor and Eva as fraudsters. His dream is to nail them live on TV. Will Eva choose Victor, fame, and fortune; or Charlie, the man who wants to show her that it's better to be loved by one than adored by thousands? ??? Interview with the Author Q - Why is the London Loves Series so special? A - Just like you, I love to read steamy romance novels that feature strong women, guys who know what they want, and plenty of sizzling sex. Overall, each book in the series is designed to give you the perfect balance of romantic tenderness, hot loving, and a thrilling plot to keep you turning the pages. One very special thing about the series is the inclusion of the gay side-characters Scott and Paul. The series has a great mixture of F/M and M/M romance - and sometimes the sexuality boundaries are pushed to the limits! Q - Should I read the books in order? A - Each book works as a standalone novel, meaning you can read them in any order. However, if you'd like to read them in order the sequence is: - Driving Me to You (FREE steamy romance!) - Romancing the Real You (Free for a limited time - find out more here > <http://bit.ly/Julienews> - You can copy the link into your browser) - Dancing Back to You - Erotic Gaze - Driving Me to Christmas - Lustful Gaze ???
