

The South has a long tradition of fine storytellers, and now one comes along perhaps better than most. Jim Ritchie isn't bashful; he jumps right in, holding the reader spellbound with his uproariously earthy frankness. A master teller in the oral tradition, the author performs even better on the stage of these pages, making his subjects come to life with his own homespun style. The reader who has grown up in the South will swear that he knows each and every character in these tales: from the Indian doctor with the secret hemorrhoid cure to the bull who couldn't keep his loins out of reach of the youngsters' BB gun; he'll identify with Bubba gigging for Giant Southern Frogs and with the curious cat that burned the cabin down; he'll remember high school teammates like Shorty and Speedy, as well as college fraternity brothers like Snake and Stud. And he'll laugh while remembering.

Reminiscences Of Benjamin Franklin As A Diplomatist (1879), Five Patients, Elephants Child, Dream Journey Workbook: Practical Steps in Pursuing Your Dreams, The Malt Whisky File: A Connoisseurs Guide to Malt Whiskies and Distilleries, The Nursing Profession: Development, Challenges, and Opportunities, UNBRIDLED CL, Capital: A Critique of Political Economy: Volume III: The Process of Capitalist Production as a Whole, Hustler Magazine September 1997 (Huster Magazine),
