In his late 30s, tall, and muscular, Dan is prone to violence, always upholding what he views as justice. He offered a great deal of money to protect the young male secretary of a powerful real estate broker. The vain, shallow but most of all hot young man's idea of protection includes sex. Dan quickly realizes something strange is going on: he's being used as a shield for a much more sinister operation and must choose between easy money and sex or the ideals that he embodied in the Army. Why should he do the right thing particularly when the army betrayed him? The Hardest Thing is a sexy gay mystery as only James Lear can write it: filled with lots of gay sexual encounters, romance, sweat, violence, and conspiracy.
