

The books that launched the hit cartoon! Meomi's character design is terrific. But their books, especially their first book, are more than that...I love it, and more importantly, my son loves it and asks for it at bedtime. • - Super Punch

The Octonauts: And the Only Lonely Monster has become a new favorite here. The story follows the path of the adorable, underwater Octonauts who come under attack from a sad, lonely monster and later help the creature find others like it under the sea. A smarter person would say there's a perfect allegory buried beneath the pages -- something about how bullies have fears like everyone else and how wonderful it is to be unique. But I always find myself just getting lost in the illustrations by team Meomi....It's great to find a book that appeals to both kids and adults -- even if the appeal is for different reasons....In other words, these are the best. children's book. animals. ever. I can't get enough of them...I can read this book for hours -- and have. • - SFGate.com

This is the original book series that launched the animated TV show, which is now popular worldwide and broadcast on the Disney Channel in the USA. Discover the creative and fun stories where it all began! The Octonauts are a crew of adorable animals who roam the ocean in search of adventure, treasure, and fun! From their undersea base called "the Octopod," the Octonauts explore a colorful world full of thrills, chills, and gills! These eight talented critters, including a brainy octopus, brave polar bear, daredevil kitten, and scientific sea otter, are always ready to embark on a new, exciting voyage. In this debut episode, the Octonauts encounter a giant sea monster. Is he the only one left of his kind in the ocean? The Octonauts'™ mission is to find out! Along the way everyone learns the special value of friendship and individuality. The Octonauts charm children and adults who appreciate sophisticated design and subversive humor, and guarantee readers will stay tuned for their next adventure! • Now I can see why the TV show is so popular. The illustrations are absolutely delightful...Readers who like picture book adventures that are full of quirky characters and colorful artwork will greatly enjoy this entertaining picture book. With its hope-filled message about the power of friendship, this is a title that has universal appeal. • " Through the Looking Glass

Best Buy - The Octonauts has gained an international cult following for its beautifully rendered and vibrant illustrations (and refreshingly sassy characters). - Vancouver Magazine
