

A viscerally affecting portrait of an incarcerated man who loses himself to dark fantasies of revenge. In *The Room*, Hubert Selby Jr. imaginatively and convincingly explores the inconceivable depths of madness. A small-time criminal sits alone in his cell, his mind radiating with sadistic thoughts of retribution against his captors and those who have failed him during his life. What follows is a deeply disturbing exploration into one of the darkest minds in American fiction—made all the more terrifying by the narrator's flashes of humanity. *The Room* is Selby's second novel—a tale so frightening the author himself couldn't read it for decades after writing it. This ebook features an illustrated biography of Hubert Selby Jr. including rare photos from the author's estate.

Held captive for years in a small shed, a woman and her precocious young son finally gain their freedom, and the boy experiences the outside world for the first time. *The Room: A Novel* [Jonas Karlsson] on allmovie.com *FREE* shipping on qualifying offers. Funny, clever, surreal, and thought-provoking, this Kafkaesque. Toys and books are treated like gold. A lollipop is a revelation. Although I hate to reveal plot points, some are necessary to discuss the book, and early on, the story reveals that *Room* is actually a prison, with a villain holding the key, and that Ma (as Jack calls his mother) is being kept against her will. An international bestseller as soon as it was published in August, *Room* has now sold well over two million copies. It won the Hughes & Hughes Irish Novel. Inspired by the Josef Fritzl case, Emma Donoghue's much-hyped seventh novel is a gem, says Nicola Barr. (A hideous premise, I'd be the first to admit, so I don't blame some of my friends for refusing to read the book.) It could have made a decent. In the new film *Room*, Brie Larson stars as Ma, a woman who was kidnapped. Donoghue was actually inspired to write her novel by a real-life. EMMA DONOGHUE'S novel *Room* seemed like it was made for me. After all, *Room*—a formally inventive story about domesticity and. *Room. A Novel.* by Emma Donoghue.
