

Life is an uncertain morphing of the beautiful and devastating, the reckless and ordained, the inconsequential and cataclysmal. Brianna Wiest writes about her own experiences and truths of life as they pertain to the greater universe in this first compilation of her work. The selected pieces are ones to turn to when you are in need of answers, comfort and a little tough love now and again. Brianna provides a place of solace and understanding while still perpetuating her beliefs as they pertain to the reality of our individual journeys. The Truth About Everything asks you to challenge what you thought to be true, take the spiritual journey, and come out on the other end with your own story to tell.
