

Whatâ€™s to Love: James Tynion IV has already blown us away with *The Woods* and *Memetic*, and now heâ€™s teaming up with Thrillbent co-writer Noah J. Yuenkel (*The House in the Wall*) and artist Matthew Fox (*Long Walk to Valhalla*) to bring us a story about aliens in the Midwest. Ideal for fans of *Paper Girls* and *The X-Files*. *What It Is*: Becky Finch never wanted to be special. Malcolm Chamber wanted something more. A destiny. When Becky is marked by an alienâ€™s touch, sheâ€™ll stumble into a mystery she never wanted. A mystery that almost ripped apart both their parentsâ€™ lives 12 years ago. Sheâ€™ll need the help of her eccentric young classmate, Malcolm, as she finds the power within herself to uncover the truth. Collects the complete limited series, #1-6. â€œ...the best elements of James Tynion IV's writing from *The Woods* and *Memetic*...with a great balance of mystery and science fiction and layering some unbelievably fantastic art...well worth reading.â€• - Multiversity
