

Who's pulling the strings? Nate McDaniel has discovered a chilling thing. The World Humanitarian Society is planning the next Zombie Outbreak. It's up to him, Walker and the Zombie Rebels to find the man behind it all and put an end to the madness. Henry Bawkula and his crew have survived the latest incident at the Zombie Rehab, but to what end? Imprisoned, they have been set aside for more diabolical zombie testing. Will they survive the labyrinth that awaits them filled with Zombie Soldiers while the WHS watches them die? And what about the XT Formula? Has a cure been found for the zombies or has the serum been turned into another weapon of war? Can the future of mankind survive in a world run by evil?
